Download Free Left For Dead 2 S

New from Valve® — creators of Counter-Strike®, Half-Life®, Portal™ and Team Fortress® — Left 4 Dead™ 2 is a new game that casts up to four 'Survivors' in an epic struggle against hordes of swarming zombies and terrifying 'Boss Infected' mutants. (Online Interactions Not Rated by the ESRB) The sequel to the best-selling and critically acclaimed co-operative multiplayer smash from Valve®, Left 4 Dead™ 2 promises to become one of 2009's top-selling games and set a new benchmark for co-operative action games. Left 4 Dead 2 takes place at roughly the same time as the original, and leads four new "Survivors" through the southeastern United States — from Savannah, Georgia to New Orleans' French Quarter. Visit www.l4d.com for more information. The title adds melee combat, new monsters and weapons, the AI Director 2.0, and more to create a larger game than the original.
